Chapter 26: The Cold War, 1945-1952 Overview. At the conclusion of World War II the United States and the Soviet Union, once allies, were enemies locked in an ideological conflict based in part on their different political economies. As the United States implemented a policy designed to contain communist expansion using a combination of precedent-setting diplomatic, economic, and military initiatives, the conflict between the United States and containment and the Soviet Union and expansion ...
