Study Tips for the Network+ Exam. When preparing for your exam, look over the topics and review your weakest area first. Use flash cards to memorize material you find the most challenging. There are software tools, such as Anki cards, that help with studying. Most importantly, don't memorize facts/sample questions.

You need four things to make your studies a success. Comprehensive videos, good books, lots of Q&A, and plenty of hands-on. These resources should give you everything you need to pass your Network+ exam!

Resource #1: My Videos

The College Network

The first step when building a network, even a worldwide network such as the Internet, is to connect two hosts together. This is illustrated in the figure below. Fig. 2.1: Connecting two hosts together To enable the two hosts to exchange information, they

need to be linked together by some kind of physical media.
