But not with the stuff you've just worked so hard to take away. I'm talking about non-material treats like time together to watch a movie, read a book or go for a swim - preferably just the two of you. And don't forget to tell your child how proud you are of their achievements. Kids crave your approval, your time and your attention.

## **Effective Tips**

Do not give in to whining, complaining, begging or any other bad behavior. Once you have said “no” to something or given a punishment for a particular behavior, do not go back on your decision. Stay calm, even if your child makes a scene. If you never give in, your child will learn that these tactics no longer work.

## **How to "Unspoil" Your Child | Baby Chick**

How to “unspoil” your child: Establish and practice new rules and limits at home. For many years, psychologists have stressed the importance of nurturing children for their personality development. Setting down simple ground rules to respond considerately to the others at home could lay the foundation for your child’s progress.
