Out of My Mind By Sharon M. Draper Synopsis Eleven-year-old Melody has a photographic memory. Her head is like a video camera that is always recording. Always. And there's no delete button. She's the smartest kid in her whole school – but NO ONE knows it. Most people – her teachers and doctors included – don't think

Out of My Mind Book Review - Common Sense Media

Out of My Mind is a young adult novel written from the perspective of Melody Brooks, an eleven-year-old girl with cerebral palsy. Though Melody cannot walk, talk, or feed herself, she has a photographic memory and a witty personality. Melody's intelligence is

mostly unrecognized by society at large, because of ableist prejudice that makes people assume her physical impairment must also affect her mental capacity.

My father brought home a small stuffed cat for me when I was really little—less than a year old, I'm sure. It was white and soft and just the right size for chubby baby fingers to pick up. I was sitting in one of those baby carriers on the floor—strapped in and safe as I checked out my world of green shag carpet and matching sofa.
