The PSP-1000 through PSP 3000, the original PSP series, allows users to play games by downloading the games from the PlayStation Network to a local storage or using a UMD mini-disc. All the new iteration made use of the same type of base design, but with time they added to the internal storage and RAM and also increased the options for the ...

PSP™ (PlayStation®Portable) User's Guide

These booklets contain helpful information about the game as well as a significant amount of other information relating to it. The manuals, especially for classic games, are sometimes prized by collectors on their own, either for the artistic value of the cover or for the sake of owning a piece of gaming history. What kind of game information can be found inside manuals?
