The Art of Travel by Alain De Botton Plot Summary | LitCharts

Alain De Botton - [The Art of Travel] "mais il faut cultiver notre jardin" is the last thing Candide says in Voltaire's novel published in 1759, after travelling extensively and seeing some of the man made horrors in the world.

The Art of Travel by Alain de Botton - Goodreads

In The Art of Travel, essayist Alain de Botton reflects on the philosophical dimensions of travel: he sees travel as a reflection of the human search for happiness and wonders how and why people should travel, not merely where. To this end, in each of the book's nine essays, de Botton juxtaposes his own travels with those of canonical Western artists and writers (all are European men from the 18th and 19th centuries, besides one 20th century American man, painter Edward Hopper).
