The term "Trade Paperback" is also used generically to indicate any paperback book that is larger than a mass-market paperback. While most books that fall in this category are printed in a standard size, some vary from this. Old comics are often collected and reprinted in a trade paper edition, and graphic novels are

issued in a larger sized version of a trade paperback.

In comics, a trade paperback (shortened: TPB or trade) is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented (in comic book format), in a smaller " digest-sized " format, or a larger-than-original hardcover.
