What Id Say Chords - Gary Allan - Cowboy Lyrics

The id contains all of the life and death instincts, which Freud believed help compel behavior. This aspect of personality does not change as people grow older. It continues to be infantile, instinctive, and primal. It isn't in touch with reality or logic or social norms. It strives only to satisfy an individual's most basic urges and needs.

"What'd I Say" (or "What I Say") is an American rhythm and blues song by Ray Charles, released in 1959. As a single divided into two parts, it was one of the first soul songs. The composition was improvised one evening late in 1958 when Charles, his orchestra, and backup singers had played their entire set list at a show and still had time left; the response from many audiences was so enthusiastic that Charles announced to his producer that he was going to record it.
