### **chap 6, 11 final soc of gender Flashcards | Quizlet**

The word lesbian is derived from the name of the Greek island of Lesbos, home to the 6th-century BCE poet Sappho. From various ancient writings, historians gathered that a group of young women were left in Sappho's charge for their instruction or cultural edification. Little of Sappho's poetry survives, but her remaining poetry reflects the topics she wrote about: women's daily lives, their ...

The authors assist students in connecting a central element of their own lives — their personal gender experiences — with the social and political world in which they live. This popular book looks at the ways in which gender is socially constructed, how sexism and gender inequality affect men and women, and how other variables compound the problem of gender inequality.
